

## Holy Miracle Vision Statement

Holy Miracle House of Prayer of the Apostolic Faith's vision is to connect people through community. A quote made famous from theologian Henri Nouwen best summarizes our objective: "...community is first of all a quality from the heart. It grows from the spiritual knowledge that we are alive not for ourselves, but for one another. Community is the fruit of our capacity to make the interests of others more important than our own. The question, therefore, is not 'How can we make community?' but, 'How can we develop and nurture giving hearts?' God wants us to love and help each other, especially when one is in need. Proverbs 17:17 states, "A friend loves at all times, and a brother is born for a time of adversity". Holy Miracle wants to assist all people with their spiritual and natural needs.

Our vision is to provide an array of community services focusing on the three following areas: education, substance abuse assistance, community services and housing development

- (1) open a Christian pre-school that will teach children from 6 months to kindergarten, (2) offer educational, tutoring and mentoring programs for school-aged children, and (3) provide services for disadvantaged and/or at-risk youth
- offer substance abuse counseling
- (1) provide transitional housing for men and women, (2) a food and clothing pantry, (3) senior housing complex, (4) affordable housing, (5) purchase, restoration and property development, (6) job training

Holy Miracle's vision, through the leading and empowerment of the Holy Spirit, is to break the generational cycle of poverty, illiteracy, and unemployment in our targeted community. Through the preached Word of the Gospel of Jesus Christ and the liberal giving of God's people, we will not only change lives, but save lives, both naturally and spiritually.
